Our Mission

Empower the people of the Circumpolar North by providing unique educational and research opportunities through collaboration within a powerful network of members.

UArctic (University of the Arctic) is a cooperative network of universities, colleges, research institutes and other organizations concerned with education and research in and about the North.

Thematic Networks
Bringing together leading experts to focus on the understanding of current northern issues
www.uarctic.org/thematic-networks

Studies
Studies in the North, experiences like no other!
Unique education opportunities at our member universities - find yours at education.uarctic.org

Mobility
Discover other “Norths” and become part of a shared northern community through student and staff exchanges education.uarctic.org/mobility

“My understanding of the northern way of life and Arctic cultures grew enormously, and my experiences left many issues to reflect on when I returned.”
