UNIVERSITY OF  
NORDLAND

*The High North Center at Bodø Graduate School of Business, University of Nordland is happy to invite you to participate at "Arctic Dialogue 2014". The "Arctic Dialogue 2014" consists of two main events: conference and master course.*

## CONFERENCE

"ARCTIC DIALOGUE 2014"

18th - 20th of March at University of Nordland

The topic of the conference is "Arctic in a Global Perspective - Resources". In 2014, the Arctic Dialogue has a special focus on challenges and opportunities of exploration and utilization of the resources in the Arctic. The aim of the event is to create a platform for discussion of the opportunities for value creation in the Arctic in an international context. This annual conference brings together major interested parties in the region development - leading politicians, academics and business executives. For an updated version of the conference program, please visit [www.arcticdialogue.com](http://www.arcticdialogue.com).

## MASTER COURSE

"ARCTIC DIALOGUE" (7.5 ECTS)

17th - 21st of March at University of Nordland

The course focuses on developing knowledge about opportunities for value creation in the Arctic, as well as on an international dialogue between important stakeholders in the region. We invite master students from all over the world who are interested in the High North; development of and value creation in the Arctic to participate in the course. It includes lectures and discussions, participation in the Mock exercise and participation in the Arctic Dialogue conference 2014.
